

## Mud Creek Baptist Church Cemetery # 3

### Legend:

The intention of this survey of Cemetery #3, is to obtain an up to date inventory of those buried here, to assist families in finding their love ones, and to determine the number of remaining grave sites. May 2016. Due to the irregularities of the rows of graves, this Cemetery is divided into Sections. Graves and lots are designated by Section number as well as Row and Lot number. All numbering begins on the right side of the Cemetery.

Section 1: Section 1 is in the right corner of Cemetery # 3 and fronts on the road. Row 1 begins in the right corner of cemetery with the Blackston, Kolb, and Snider headstone. There are three rows in this section.

Section 2: Section 2 faces the road and there is only one row. Row 1 begins to the left of the Trussell graves, starting with the Harmon plot.

Section 3: This Section is the 3 Rows behind Section 1 and 2. The Section includes the Reeves' graves which are in Row 2, and extends straight left to the Smith plot. At this time the only graves in Row 1 of Section 3 are in the Dee Taylor plot.

Section 4: This Section is located in the left half of the Cemetery and starts with the Row of graves of: Cargile, Wheatly, Johnston, and Davis. It continues West to the Cook and Gay graves in the back left side of the Cemetery.

Section 5: This Section includes the right half of the Cemetery starting at the right top half of Section 3 and extending to the right back. At this time, the only burial in this Section, is Ruby Taylor.
